Who is GMFS?

Since its inception in 1999, GMFS, LLC has helped thousands of developers, agents and retail customers with residential mortgages. GMFS handles all aspects of the lending process from **application to funding**, giving us the ability to expedite decisions and control service levels. GMFS provides financial solutions and impeccable service through **both wholesale and retail** marketing channels. Our dedicated employees and a variety of mortgage packages make the loan process **fast, accurate, and efficient**.
